Tourney Success

The South Dakota Horseshoe Pitchers' Association held it's annual pitching tournament and business meeting at the State Fair, Huron, S. D. on September 14, 15 and 16. The turnout was good, with 11 players taking part in Class A and eight players in Class B. There were several other players who did not take part in the tournament. At the business meeting Mr. Lee Washburn of Deadwood was reelected President; Clarence Meyers, of Flandreau, first vice president; Lester Vorhees, Huron, second vice president; Pete Gednalski, Coleman, third vice president; and L O Pigney, Deadwood, secretary-treasurer.

The following is a list of the tournament players and their standings.

Class A

To promote more interest in horseshoes over the state, it was suggested by our president, Lee Washburn, that county tournaments be held in the counties where they are not already held. A small entrance fee can be charged to take care of getting a cup for the winner, etc. The state association will furnish a diploma made out to the winner for the cost charge of 25 cents. Score sheets can also be gotten from the state association for a very small cost. It is also hoped that arrangements can be made for a match between the East River players and the West River players. A lot can be done to promote the good old game and the president or secretary will always welcome suggestions.

Don't forget to line up all the non-members. Twenty-five cents covers both the state and national entrance fees. Just send me the names and the money and I will mail out the membership cards.
