## MONTE & BARBARA HERREMAN

### 1983 Hall-of-Fame Recipients

The 1983 recipients of the Hall of Fame award first entered into horseshoe competition when the state meetings were held in a tent. He helped write the state association's present constitution and also served as a director for many years. After the flood in 1972, he worked with the Park Dept. to replace the courts that were lost at the Rapid City Fair Grounds. He and his wife, with help from the local club, hosted the 1979 state tournament in Rapid City. They have been very active in their club and have served as president, vice-president, secretary-treasurer, rug procurer, waterer, and spader. Their enthusiasm for horseshoes is very contagious and has spread to the surrounding Hill's towns which now have their own courts and host tournaments. They gave and still give unselfishly of their time when it came to helping other towns with their tournaments and with all the paperwork involved. Our congratulations go to Monte and Barbara Herreman of Rapid City who have most definitely earned their place in the Hall of Fame.

#### PERSONAL HISTORY:

Monte is from Brookings where he attended high school and SD State. He served during WWII and was recalled during the Korean Conflict. Barbara is from Alexandria and also attended SD State in Brookings. They were married in 1939 and raised two sons, Bruce and Wayne, and have two grandsons, Tyler and Dallas. Since Monte's retirement from the selective service in 1970 they have traveled to Europe, Mexico, Alaska, and state-side and are busy trying to finish up their list of things to do that they compiled before his retirement.

**CONGRATULATIONS TO MONTE AND BARB ON A TERRIFIC JOB!**

Many thanks to all for attending the state tournament here in Spearfish. We are proud and honored to be your hosts for this classic event. We feel the tournament was a great success because we had the help of many wonderful friends. The grounds crew did a terrific job at keeping the courts "just right".

Our hearty congratulations go out to Leigh Dunker for his 30% state championship- quite a feat! Also to Lois Bolstad of Sinai, the Ladies Champ, who is on her way to having a dynasty of her own! Our new Juniors Champ is Gary Falk, from Newell, who proved he can do well under pressure.

We also congratulate Monte and Barb Herreman on being inducted into the Hall of Fame-a much deserving award to two great people who have done an enormous amount to promote horseshoe pitching!

Thank you to all from the eastern part of the state for having come this far to attend our tournament. Without you this would not have been a "state" tournament. We'll be looking forward to seeing you in Mitchell next year. This will be the year when the "state" will expand to a doubles competition. Let us all give Mitchell our support!

COMMISSIONERS REPORT

1983 was a banner year for South Dakota State Horseshoe tournament. Gene and Yvonne Ficek, Ed Thorstad and all the good people of Spearfish did a real job of putting on the tournament. A big thanks to all the people who worked, kept score, and turned courts. I think you people of the hills area spoiled us. We are not used to such good treatment. Thank you all for the 1983 tournament.

I am displeased about one thing. I think it is highly unfair for a person to play in S.D.S.H. every year and never play until the next year. We had a case where a man played in 1982 state at 19%, went home and practiced all year and entered again in 1983 at 19 or 20%. He then played in 20% bracket and shot games like 40%, 35%, and 44%. I think this is unfair to the other 7-20% players.

Take my case, I developed a muscle or nerve cramp in my right neck and shoulder. I played badly-6% to 12%. (My average is 34%). So I don't play in any tournaments in 1984 but enter in the 12% bracket in SDSH tournament in 1984. Well, I could do this legally, but I would not nor could I do such a thing. We need to make people like this play in tournaments during the year. I will propose, "all persons who enter the state tournament, must play in 2 other tournaments during the year. For a first timer who never has played in a state tournament or never played in league or in other tournaments, let him qualify for state. Other than that all people playing in state must play in 2 other tournaments from Aug. 1 of the preceding year to Sept. 1 of the following year."

The directors came through again. Without dedicated people our tournaments would not work. Our organization would not work unless for many many good people. The horseshoe players are blessed with good people.

I have talked to Cliff Ziehl of Mitchell, S.D. and they are already working on the 1984 tournament.

Marlow Neuberger

The board of director's meeting was called to order by Marlow Neuberger. Harry Everhart brought up discussion about sending all players in East and West River a summer tournament schedule. It was decided that anyone who paid the state dues should have the state results and flyers mailed to them. The state association would pay for the printing of S.D. Horseshoe membership cards. Forest Gaetze moved that we have membership cards printed up and they be issued to anyone who pays the state dues. Ed Thorstad of Spearfish seconded the motion. Forest Gaetze moved that we have 500 cards printed. Ed Thorstad seconded the motion. Both motions carried.

Ed Thorstad moved we leave the state dues at \$2. Don Schaunaman seconded the motion. Motion carried. The 1984 State Tournament will be held in Mitchell. Harry Everhart moved that all ties be settled by ringer percentage first and then by points. It was seconded by Frank Tomsik. The motion failed to carry. Don Schaunaman moved we pay Gaye Johnson the \$10 rental fee for fixing the scoreboards. Cliff Sorenson seconded the motion. Motion carried. Don Schaunaman moved that we hold the state tournament on Saturday and Sunday of Labor Day Weekend. Loren Oleson seconded the motion. The motion was defeated. Gene Ficek moved that all state tournament contestants pitch in at least 2 tournaments to qualify for pitching in state. The motion was withdrawn. Marlow Neuberger moved that 15 directors serve on the board and 5 directors be changed every year. The motion was seconded by Jim Alexander. Motion carried. Frank Tomsik nominated Monte Herreman to replace him. Cliff Sorenson nominated Lois Sorenson to replace him. Marlow Neuberger named Marv Parkinson as his replacement. Harry Everhart's position will be open and so will Loren Oleson's. The new state officers will be Cliff Ziehl, President, Forest Gaetze, Vice President, and Jerilyn Ziehl as Secretary-Treasurer. Marlow Neuberger's office expires and nominations will be taken from the floor. Harry Everhart moved that the state have a doubles tournament held on the Saturday of the state tournament. It would be open to the first 48 teams entered. Men and women would pitch together. Gene Ficek seconded the motion. It will be held on a trial basis in 1984. The motion carried. Ed Thorstad nominated Marlow Neuberger for state commissioner. Lois Sorenson seconded the motion. The motion carried. The meeting was adjourned.

GENERAL BUSINESS MEETING.

There was a general discussion of the board of directors meeting minutes at the general business meeting. Rod Hancock was named to replace Harry Everhart. Loren Oleson will serve another term on the board of directors. Barb and Monte Herreman were inducted into the Hall of Fame. Chosen to serve on the nominating committee for the 1984 Hall of Fame were Don Schaunaman, Jim Alexander, and Gene Ficek. The meeting was adjourned.

The board of directors present at the board meeting were the following: Forest Gaetz, Mitchell, Gene Austad, Oldham, Harry Everhart of Artesian, Lois Sorenson from Brookings for Marie Hallickson, Don Schaunaman, Aberdeen, Cliff Sorenson, Brookings, Roland Kleinschmidt, Harold, Loren Oleson of Arlington, Dennis Kjose, Alcester, Gaylord Johnson, Sioux Falls, Lynn Kalvig, Howard (NHPA director), Jim Alexander, Rapid City, Franklin Tomsik Jr. of Rapid City, Marlow Neuberger of Sioux Falls, Ed Thorstad, Gene Ficek and Yvonne Ficek of Spearfish.

I have had a few questions as to what a Regional Director does. My idea is promoting horseshoe and co-ordinating horseshoe between the national, state and local levels is the main duty. I am proud to be the Regional Director for South Dakota for the NHPA. There are only 29 in the United States. I am new at the job and expect to put more in it and get more out of it in the future. This will not be hard as the people in the game are the best, from State Champions to those who play once in awhile on a Sunday afternoon.

I look on it as a duty to inform those who play Saturday nights in their local small towns that there is organized play out there and there are many tournaments out there and they might like to try some of that. I know I will get a lot of help from others on this phase. Some of the people we have worked on and urged and cajoled etc. to finally get into organized play in our own league we now couldn't keep away with a stick.

Of course a duty is to accept membership in the NHPA and State memberships. Many who travel in the winter to warmer climates join NHPA so as to enter tournaments in places they go. Also now we are having State Membership cards coming that will have space for you to keep track of your playing records conveniently.

As of now I plan to attend the World Tournament and Regional Directors meeting in Huntsville Alabama next summer.

Another duty is to submit a couple of news stories from South Dakota each year to the NHPA Digest. This will be pleasant duty this year in reporting the fine State Tournament Spearfish hosted and also report on the excellent selection to the South Dakota Hall of Fame.

Thanks to Spearfish and the Hills people for another fine State Tournament. Congratulations to Monte and Barb Herreman, Leigh Dunker and Lois Bolstad. Thanks to Gene and Yvonne Ficed for a pleasant post-tournament visit at Spearfish.

Looking forward to seeing all of you from time to time and at next years tournament at Mitchell.

Respectfully submitted,
