## 1984 South Dakota Horseshoe Hall-Of-Fame

*Cliff & Lois Sorenson*

The 1984 recipients of the Hall-Of-Fame award were introduced to horseshoes by friends and started tournament competition in 1967. Cliff's first trophy was in E division where he placed 7<sup>th</sup> at 29.9%.

Lois started pitching in 1968. She placed 3<sup>rd</sup> in the ladies state that year. Since then they have been very active in many horseshoe events and have given many hours of work toward horseshoes. Cliff has courts in his backyard and it was not unusual to see many people in the yard pitching with Cliff and Lois.

Cliff and Lois helped to start a league in Brookings. Cliff helped put the clay courts in and still helps to care for them. Shortly after the courts were in they helped to get a tournament started that would run with the Arts Festival in 1977. That tournament is still running. Cliff was State Champion in 1980. Cliff served as director for about 6 years. Lois is now serving as director for the next 3 years. Cliff always has his shovel, ruler and horseshoes ready to pitch any time.

### **PERSONAL HISTORY:**

Cliff attended and graduated from Aurora High School. Lois attended and graduated from Flandreau, South Dakota. Cliff served in the US Navy in WW2. They were married in 1948. They have two daughters, Diane and Donna, and two grandchildren, Keith and Stacy. Cliff works for Beckman Implement as a salesman. Lois works in the office at JC Penneys. They have now started traveling during the winter months.

## Tournament Director's Comments

I would like to extend my "thank yous". Our score keeping students from the Mitchell Senior High Medical Explorers Club never appeared in significant numbers to handle the scorekeeping as we had hoped they would be able to do. So, a big thank you to everybody that volunteered to keep score or pitched in when asked to do so. A big thanks of gratitude to those from other clubs who helped turn courts, helped be judges, and also helped with our statistical work.

Most people never have the chance to see all the work handled by the Commissioner or realize the value and importance of his job. The State Officers from Mitchell really appreciated the cooperation and assistance provided by Marlow Neuberger. Marlow was able to furnish us guidelines for how to conduct a state tournament. His computerized mailing list and pre-addressed labels saved us much time in our mailings. By Marlow's having collected tournament and league results, we feel we were better able to properly seed all entries in their classes. Therefore, to you, Marlow, a big thank you.

Many little things go unnoticed. Gay Johnson, Ed Gebhart, Marvin Parkinson, and Marlow Neuberger saw that the state scoreboards were delivered to Mitchell and returned to Sioux Falls. They brought along portable courts that in the case of rain would have been used to play on at a backup indoor site at the county fairgrounds. Also, the Madison Pheasant League through Lynn Kalvig and Laverne Wipf loaned Mitchell 6 additional needed scoreboards from their club. Marlow Neuberger delivered the big red horseshoe to Mitchell and John Drafahl and Monte Herremann saw to its being taken to Rapid City. Bob Nowrich made available his travel home for the use of the officers and the statisticians. All were greatly appreciated.

Thank you, Glen "Red" Henton for being our banquet speaker and showing us the Schummer system in the following days. Many appreciated your tips on pitching technique. Many found the V-lok horseshoe to be an improvement for their game. Thanks to Lynn Kalvig, our S.D. NHPA Regional Director, for his report on the World Tournament and his experiences while there.

The Mitchell Parks and Recreation Department worked very hard to improve our courts and their appearance over the last two years. New center fences were constructed, 6 additional courts were constructed in a coordinated effort with the local National Guard unit, lighting was improved, and man power was provided to help with the actual running of the tournament. Our gratitude and appreciation for their work also.

Thank you to Livestock State Bank and the David Wharton Insurance Agency, Mitchell, for reduced or free copies of many of our notices and also results sheets.

Last, but not least, thanks from the director for all the help from the Corn Palace Horseshoe Club members who pitched in to help make the "84" Tournament a success.

Pleasing was the excellent coverage by the East and West River TV and radio stations. Also, many daily newspapers published the results of their local players. Some newspapers such as the Huron Daily Plainsman and the Aberdeen American News printed all the results. I do wish the scoreboards would have actually gotten used for the doubles tournament. With the doubles being the first time, we felt we did not want to burden scorekeepers with a scoreboard and also 2 different scoresheets at the same time. The obvious was probably overlooked--since the players at the scoreboard end did not walk, they could have turned the scoring wheels for the scorekeepers. I believe that Rapid City will make some significant improvements in conducting the doubles tournaments. An important aspect of the doubles tournaments, I feel, was that the family was able to participate as evidenced by husband-wife teams and father-son teams.

We were happy to see the men's classes expand to Class R. Also there was an increase in junior entrants.

The best to all of you and I will be looking forward to meeting you in Rapid City in '85.

--Harry L. Everhart
