NHPA Director

1985 Hall of Fame  
Recipient

Christine Fickbohm Witt

The Fickbohns of Alcester dominated the South Dakota State Horseshoe Tournament in Aberdeen in 1968. That year the women competed in their first state tournament. Christine won with a record of 5-0, 31.7%. Her husband Walter also won that year--a rare event that a husband and wife were state champions at the same time.

Christine also won the championship in 1969 with a record of 5-0, 27.4%. Her highest ringer percentage for one game was 56%. She pitches an Allen shoe, a turn and a quarter.

Besides playing, Christine has been active off the courts as well. She has done much scoring at the different tournaments and served on the South Dakota Board of Directors and the 1980 Hall of Fame committee.

PERSONAL HISTORY--After Walter passed away in 1978 Christine kept an active interest in horseshoe pitching by keeping in touch with friends. In April 1981 she married Ray Witt of Alcester. They enjoy traveling to the different tournaments and seeing many friends.

Their hobby is photography and they can be seen at the courts snapping pictures of the various players. Ray and Christine are retired and also enjoy fishing.

Christine has three children: Diane, Alcester; Paul, Red Bud, Illinois; Warren, Sioux Falls and one granddaughter, Lisa of Alcester.

Christine Fickbohm Witt of Alcester  
was inducted into South Dakota  
Horseshoe Pitchers Hall of Fame

The Rapid City Ringers Horseshoe Club was honored and pleased to host the 1985 South Dakota State Horseshoe Tournament. The cooperation of club members, participants, sponsors and the weather-man was appreciated and led to what we believe was a very successful tournament, one of the largest ever held in our State.

Our sit-down steak dinner at the Officers Club, Ellsworth AFB, was a change and the newly refurbished surroundings at the Club made it a comfortable and pleasant setting for our banquet. Those who did not attend missed out on the entertainment of the evening--the almost constant naming of door prize winners. No one went away empty handed.

Congratulations are in order to Leigh Dunker, Warner, who won his thirty-first state championship and to Lois Bolstad, Sime, who took the ladies title for the sixth year straight. Congratulations also to junior champion, Keith Nold of Aberdeen, and again to Lois Bolstad, Sime, and Rosella Kasperson, Arlington, who repeated as doubles champions.

A special highlight of the tournament was the naming of Christine Ficktona Witt of Alcester to the South Dakota Horseshoe Pitchers Hall of Fame. This gracious lady deserves this recognition as one of our most active boosters of the sport of horseshoes.

Hopefully, we will see all of you at the State Tournament in Sioux Falls in 1986.

COMMISSIONERS REPORT

Rapid City Ringers Club and the Herrmanns did a great job putting on the 1985 State Tournament. We owe them all a big thank you.

There are many changes to be made in the constitution. Every year the directors have received the constitution to study and come up with changes to improve the state tournament. The directors are supposed to ask their local players if they want to change any article, rules of play, or any part of the constitution. When the directors meet, at the state tournament, these changes can be made.

Article 7 should have been changed years ago. We have more ladies playing horseshoes these days. There have been ladies serving as directors but this article was never discussed. I contend that the constitution should be gone over article by article each year at the directors meeting to call attention to any changes to be made. We haven't been doing this and that is where we let things by that should be taken care of.

1968 there were 6 ladies and 1 division. 1969, 1971 was the same, one division 6 ladies. 1973 we had two divisions for the ladies. They were called division 1 and division 2, there were 9 ladies. 1974 went back to one division had 6 ladies. 1975 one division 4 ladies, 1976 was the same. 1977 was the year the ladies de-

cided to have a handicap and set rules before the start of play. Had 4 in championship, 6 in division 1 with a handicap. We let the ladies set their own rules. They also changed the name from Division 1 and Division 2 to Championship and A Divisions. No where in the Constitution was this change made or brought up to change. I don't care what they call the division but I contend it should be so spelled out in the constitution. There are enough ladies playing in the state to make the right changes, let's do it right.

Also there should be some work done on byes as we have had several in the past few years. Again I don't care how it is done just so long as it is spelled in the constitution.

Don't forget, you must have 2 (Two) ringer % to play in the state in 1986. You can use 1985 state average and one other tournament or league average if the league keeps records of your play. GOOD RECORDS, keeping all shoes pitched and average. You can play a tournament, there are several in the hills area and several in eastern SD. It should not be hard to make one plus last years state. Most states require 3 or 4 tournaments in order to play in their state tournaments. Don't forget this.

I would like to thank all those who was so kind to send me a card when my wife, Bonnie, passed away. It sure helped to know we have good friends when the chips are down. Thank you.

SDSHPA Commissioner  
Marlow Neuberger

#### BOARD OF DIRECTORS MEETING

President Monte Herraman called the meeting to order.

State officers present were President and Director Monte Herraman, Vice President and Director Jim Alexander and Secretary-Treasurer Barbara Herraman. Other Directors present were: Gene Ficek, Spearfish; Pete Fischer, Eagle Butte; Dennis Kjose, Alcester; Roland Kleinschmidt, Harold; Lois Bolstad, Sinai; Marvin Parkinson, Sioux Falls; Lois Sorenson, Brookings; Bert Bertelson, Marvin; Ed Gehrt, Sioux Falls; Vern Hanson, Madison; Don Schannaman, Aberdeen; and Cliff Ziehl, Mitchell. Clint Bryson, Belle Fourche was designated by Rod Hancock, Spearfish to represent him in his absence. Marlow Neuberger, Commissioner, Sioux Falls and Lynn Malvig, NHPA Regional Director, Howard were also present as was Gavlord Johnson of Sioux Falls, who handles the SDHFA membership cards.

The board dispensed with the reading of the minutes after two corrections were made to the minutes of the 1984 Directors meeting. The letter to Marlow Neuberger, which was read at the meeting, was from Rapid City instead of Custer. The 1985 officers, who were Monte Herraman, President, Jim Alexander, Vice President and Barbara Herraman, Secretary-Treasurer, should have been listed. The minutes were approved as corrected.

The interim financial report for 1985 was read. Gene Ficek moved for approval, seconded by Lois Sorenson, motion carried.

It was suggested that 1986 schedules be sent to Rapid City to go in the results book. However some clubs do not hold meetings until after the first of the year.

so that is impossible. All clubs should get the information concerning tournament dates to Marlow Neuberger before May 1.

The President reported that the second doubles tournament was successful and he felt we would get more participants by having it with the state singles tournament. The Board agreed. Our tournaments are growing in size each year and the time may come when we will have to make the singles a three day tournament. Several options for the doubles were discussed should this occur. It might be necessary to hold them on another date. Harry Everhart had submitted a suggestion that Pierre be considered for the doubles since it is centrally located. After a general discussion the Directors recommended that doubles be optional with the host city and state officers.

Marlow Neuberger suggested that Article VI, No. 6 of the constitution be amended to read that participation in two tournaments or one tournament and one league be required before a pitcher can enter a state tournament. Newcomers could still be qualified by pitching 200 shoen. After a discussion, Gene Ficek made the motion to this effect, seconded by Cliff Ziehl. The motion carried.

New directors proposed were: Pete Fischer, Eagle Butte, who had filled in for one year, to continue; John Drafahl, Custer, to succeed Jim Alexander; Yvonne Ficek, Spearfish, to succeed Gene Ficek; Laverne Fickbohm, Beresford, to succeed Dennis Kjose and Wayne Pool, Elkhorn, to succeed Roland Kleinschmidt.

Sioux Falls was discussed as the proposed site for the 1986 State Tournament.

Dennis Kjose moved for adjournment, seconded by Clifford Ziehl.

#### GENERAL MEETING

The general meeting of the South Dakota Horseshoe Pitchers Association was held in the ballroom of the Ellsworth AFB Officers Club. The meeting was called to order by Monte Herraman, President. Reading of the minutes of last year's meeting was dispensed with. The names of the 1985 officers were added to the minutes of the 1984 meeting. An additional correction was made in the Board of Directors minutes for 1984. The letter to Marlow Neuberger, which was read at the meeting, was from Rapid City instead of Custer.

The Treasurer's interim financial report was read and approved.

Roland Kleinschmidt asked what happened to the list of tournaments for 1986 that should have been compiled and sent to horseshoe pitchers. Marlow Neuberger explained that he only received schedules from a few cities, therefore didn't have enough information to compile the list.

Lynn Malvig reported on the NHPA and announced that the 1986 World Tournament would be held in Ainsworth, Nebraska, July 23 through August 2. He suggested this would be a good opportunity for South Dakota pitchers to attend a World Tournament and that South Dakota tournaments be scheduled around these dates. He recommended joining the NHPA. The fee is \$7.00, \$3.00 for league and an additional \$4.00 for full sanction. He will be selling NHPA cards for east river and Yvonne Ficek for west river.

Commissioner Marlow Neuberger complimented the Ringers Club on the work they had done for the state tournament. He then spoke of past "greats" and asked for a moment of silence for them.

The Board of Directors recommends that the doubles tournament be made optional depending on host city and officers.

President Monte reported that the sale of state cards ahead of the tournament had been helpful to the state officers. The directors will again have cards for sale.

The recommendation of the Board of Directors that Article VI, No. 6 of the constitution be amended to read that 2 tournaments or 1 tournament and 1 league be required of each pitcher before the pitcher can enter a state tournament. Newcomers could still be qualified by pitching 200 shoes. After a discussion, Gens Ficak made the motion to this effect, seconded by Cliff Ziehl. The motion carried by a 2/3 majority.

New directors proposed and accepted by the membership were: Pete Fischer, Eagle Butte, who had filled in for one year, to continue; John Drafahl, Custer, to succeed Jim Alexander; Yvonne Ficak, Spearfish, to succeed Gens Ficak; Luverne Fickbohm, Beresford to succeed Dennis Kjome and Wayne Pool, Blunt; to succeed Roland Kleinschmidt.

Sioux Falls was discussed as the proposed site for the 1986 State Tournament with officers as follows: President, Marvin Parkinson; Vice President, Bob Kettner; Secretary-Treasurer, Ed Gehrt. Carlton Lisevold moved that their offer be accepted and Lois Serenson seconded the motion. The motion carried.

The highlight of the evening was the naming of Christine Fickbohm Witt as the 1985 recipient of the SDHPA Hall of Fame Award.

Bert Bertelson, Clifford Ziehl and Yvonne Ficak were appointed to the 1986 Hall of Fame Committee.

Dennis Kjome moved for adjournment, seconded by Clifford Ziehl. Drawings for door prizes continued until all had been presented.

#### NHPA REGIONAL DIRECTORS REPORT

Greetings from the National Horseshoe Pitchers Association.

I attended the 1985 World Tournament at Lafayette, Indiana and played in class L-3. There were four sections of L class each with 12 players. In two sessions we played 11 man round robin. I won six and lost five and came out in sixth place. Again this year, the only player from South Dakota. It was a big tournament with 968 participants. I met Pete Moon, who came from Australia to play in class M section 4. They are just getting horseshoe nicely started in Australia and he came to see what a big tournament was like. He thought he might make it again in two years.

Walter Ray Williams won the World Title, this for the fourth time for him, winning 31 and losing no games. He was the 17th man's champ to finish undefeated, and he threw 84.9% ringers for the tournament. He won \$2,500.00 as first prize.

Next year the NHPA World Tournament will be at Ainsworth, Nebraska. It will be starting on July 21st. With the tournament this close, we want to please pay attention to two things: one to schedule our events around the dates of July 21 to August 3, and two, plan to go and compete.

You need to have a South Dakota membership card to purchase an NHPA membership, and you need this to enter. This should be done early in the year as about the 1st of June is when entries are due for the World Tournament. I will soon have the 1986 NHPA membership cards and also have some State cards. In the Hills area, Yvonne Ficak had volunteered to help with card sales and information on the NHPA as to sanctioned leagues and tournaments and supplies.

I am looking for a lot of South Dakota members for the NHPA with the tournament so close for 1986, and maybe even for a couple of years, as the next one will be at Eau Claire, Wisconsin, so I hope by then we are in the habit of being NHPA members, all of us.
