1987 South Dakota Horseshoe Hall-Of-Fame

Gaylord Johnson

Gaylord Johnson has been active in horseshoe pitching for over 50 years, beginning as a young man in the C.C.C's (Lightning Creek Camp #79) in the Black Hills.

Gay began his career with Morrell Company in Sioux Falls in 1940. Following active duty in World War II he returned to Sioux Falls and his job at Morrell's where he organized the Morrell Horseshoe Pitching League, later becoming the Sioux Valley League, and served in nearly every office.

Gay has been very active in the promotion of horseshoe pitching in South Dakota as State Membership Chairman. Gay and his late sister, Clara, helped with tournaments and record keeping, having records of nearly every tournament played in the state. Gay has encouraged women, and was instrumental in forming the ladies division in horseshoe pitching in the state.

Gay has played in tournaments in Minnesota, Iowa and two or more World Tournaments. Although he is a small man of stature, he is continually a big man behind the scenes with a wealth of knowledge and information of what has gone on in South Dakota Horseshoe Pitching.

The members of the 1987 South Dakota Horseshoe Pitchers Association appreciate your efforts and welcome you as the latest member in the South Dakota Horseshoe Hall-Of-Fame.

From the President:

I would like to thank all of you for participating in the 1987 State Horseshoe Tournament in Sparfish. Attendance was down this year, not because of weather or the threat of N.H.P.A. sanctioning, only that it happened to be one of those years state-wide.

Those of you who did not attend the banquet missed out on an interesting cross-dialog of pro and con arguments regarding sanctioning of our state tournaments. As state president, one must try to remain neutral during the general meeting. I can now express my feelings regarding sanctioning.

Each year at the director's meeting we spend a great deal of time discussing rules of play. Adopt N.H.P.A. and there will be no need for lengthy discussions.

We all have belonged to ABC or WIBC to bowl on leagues. We haven't argued against belonging to these organizations, we pay the price each year and continue bowling by the rules.

We have or have had children bowling on sanctioned leagues through sponsoring school programs. N.H.P.A. offers the same program and would certainly be an excellent opportunity to get young people interested in horseshoe pitching.

Out-of-state N.H.P.A. members would be more likely to attend some of our tournaments. With rising costs we can certainly use all the entries we can muster to meet expenses.

I could continue expressing my opinions for two more pages. If this will give each of you food-for-thought before our next director's meeting, maybe we can join the other states.

I congratulate and extend my best wishes to Madison, 1988 State tournament host.

Sincerely,

Ed Stenwick
