

1989
SOUTH DAKOTA
HORSESHOE PITCHING TOURNAMENT

RAPID CITY
SEPTEMBER 2 & 3

1989
SOUTH DAKOTA HORSESHOE
HALL-OF-FAME

Liz & Clint Bryson

In 1980 Clint pitched in his first official tournament at the Moose Lodge in Belle Fourche. He surprised himself and his family when he brought home his first trophy. Since then he has competed in numerous tournaments and has won approximately 30 trophies. Liz and Clint have always been very committed to the family style of living-so when Clint became an active pitcher Liz joined right in and became an avid scorekeeper. Liz and Clint are always supporting the sport of horseshoes. They have been the tournament directors at Belle Fourche for numerous years. Clint is presently South Dakota's NHPA Regional Director and is also one of the West River Directors. When you need a helping hand both Liz and Clint are always there.

If you ask Liz or Clint what they like about the sport their reply is "the people". We have met some great folks and have enlarged our circle of friends. Most people that attend the tournaments enjoy pitching and are good sports about winning or losing, and that is important. Good clean, honest enjoyment-often mighty hot sunshine and great people "that's horseshoe pitching in our area".

Liz and Clint live 25 miles north of Belle Fourche, where he works for Montana Dakota Utilities as a chief operator since 1957. They have been married for 39 years as of September 13. During those 39 years Liz has been a dedicated home-maker and raised two children, Jim, and Barbara Bonnichsen who is married to Pete. They have two granddaughters, Billy Mae age 13, and Becky Marie age 5 all of Belle Fourche. In December of 1990 Clint will retire and they will move into town. They're looking forward to being in town and will not miss the rough gravel roads.

Before I get to the minutes and the treasurer's report there is a few things I would like to say. First of all I would like to thank everyone for taking part in our state tournament, and that includes our scorekeepers. A special thanks to Raedene McKinney for helping in the office. I would also like to thank some of our local business's for their donations. If you are in any of the following business's please just say thanks. Colman-Frizzell Black Hills Gold- they donated the rings that we raffled off. Rapid Chevrolet for all of the gifts that every entrant received and to Singer Masonry, Rapid Motors, Bearid Trucking and Eds' Towing for their cash donations. These donations made if possible for our pitchers not to have to pay for their own score keeping plus gave this organization some money to work with.

Also, I would like to apologize to the scorekeepers and other pitchers for the conduct of some of our pitchers. I think we all need to stop and think why are we out here playing. Is it just to win? Is it to have a good time? We all need to remember is is just a game and it does not matter whether we win or lose. Let's all try to remember this and try to do better in the future. We can't get rich by playing horseshoes so lets just have fun doing it.

Sincerely,
CK
 SD Vice-President

DIRECTORS MEETING, SEPT. 2, 1989 ELK CREEK STEAK HOUSE

It was decided to enforce the dress code for the 1990 state tournament. It was suggested that 70+ players be allowed to pitch at 30', along with 40' players. The vote was 6 to 0 Yes, if other players in the class approved, but only for 1989 tournament. Also decided that juniors may pitch in any class in doubles and not lose their rights as juniors. Voted 6 to 0 to send final notice to Bob Ketterer about the \$106.00 he owes the state, before turning the matter over to the SD Attorney General and taking legal action. Meeting was the adjourned.

GENERAL BUSINESS MEETING, SEPT. 2, 1989 ELK CREEK STEAK HOUSE

The meeting was called to order by president Thurmon McKinney. Read minutes of business and officers meeting. Motion to approve by Clair Harris and second by Monte Herreman. Motion was approved. Read Treasurers report. Motion to approve by Clair Harris and second by Monte Herreman. Motion was approved. Kent Robinson gave presentation on why they would like to hold the 1990 state tournament in Belle Fourche and extended an invitation to the state. He also stated that they would offer some type of incentive to all east river players in an effort to help get the complete state back together. Delores Drafahl then extended an invitation to the state to hold the 1990 state tournament in Custer and explained that the city would do everything they could to get the courts in shape for the tournament. Thurmon then called for a vote and it was decided by a 22 to 6 margin to hold the 1990 state tournament in Belle Fourche. At this time Thurmon conveyed to the body the topics that were discussed in the NHPA state officers meeting and the National convention. Thurmon reappointed all state directors with the exception of Lois Bolstad, leaving that position open until Jan:1, 1990 in the hope of finding someone else. Roland Kleinschmidt suggested changing the date of the state tournament so that players could attend the east river tournament as well. It was explained that all changes in the constitution must be submitted to the state secretary by July 1st of that year. The only offer to run for state Secretary in 1990 was received by Clifford Ziehl. Wayne Pool made motion to hold 1991 state tournament in Custer, provided they get courts in shape. Second by Ed Gebhart. After discussion the motion was withdrawn. Thurmon made Hall of Fame presentation to Liz & Clint Bryson. Motion to adjourn by Wayne Pool. Second by Carlene Donnelly. Meeting adjourned.
