1991 South Dakota Horseshoe Hall-Of-Fame

Cliff Ziehl

This newest inductee into the SDHPA Hall-Of-Fame came to South Dakota from St. Cloud, Minnesota, in 1967. His horseshoe pitching there was a family affair as his father enjoyed pitching. After his school years, he served in the U. S. Navy and worked in the St. Cloud area.

His home is now Mitchell, SD. His horseshoe skills were developed in the back yard of the late Otto Oehlerking, a longtime Mitchell League and tournament player. Otto persuaded him to fill in at the 1981 Mitchell Centennial Horseshoe Tournament for a person who registered and couldn't attend. With his interest now piqued, he enthusiastically joined the Corn Palace League, helping in every way from office work to maintaining the courts at local tournaments.

The 1981 Madison State Tournament was his first state tournament. In 1983, he became president of the SDHPA and presided over the 1984 State Tournament held in Mitchell. 1984 saw the introduction of the first ever State Doubles Tournament through his efforts. This became an annual event. He developed a doubles score sheet that has been used by several other clubs. This score sheet featured an easy system to keep track of each player's ringers, so individual percentages could be more easily obtained. He designed the master score sheet used at all our tournaments. It is used in many other states, including Minnesota, Iowa, Wyoming, Texas, Georgia, and Mississippi. It is time saving and easy to use.

This inductee has been President of the Corn Palace Horseshoe League in Mitchell since 1984. He has been "Mr. Horseshoe" to Mitchell, organizing and serving as Tournament Director for several tournaments each year. He has helped in the local school system with their horseshoe classes. Mitchell was one of the original teams in the Four-City Tournaments held annually in Eastern SD. He helped organize the first Four-City Tournament. He worked every day during the World Horseshoe Tournament in Spearfish until the two days when illness forced him to go home.

When the first NHPA Sanctioned State Tournament was held in 1988, he was the tournament director and hosted this tournament in Mitchell. He has been the secretary-treasurer for the SDHPA since its inception in 1988 and organizes each state tournament.

His two children have been very successful horseshoe pitchers. Andra is now 18 and works at Sun Gold Trophies in Mitchell. She was a junior state champion and won several local junior tournaments. Andy is 14 and currently holds the SD junior state title, a title he won for three straight years. Andy holds several junior championship trophies locally.

This dedicated, hardworking, talented horseshoe pitcher and tournament director is Clifford Ziehl, known to all of us as Cliff.

1991 Clifford Ziehl

The 1991 State Tournament has come and gone and another year of pitching is coming to an end. But even as this year is ending, plans are underway for next year's tournament in Spearfish.

I would like to say thank you to Cliff Ziehl, Warren Clark and the rest of the Mitchell club for an excellent state tournament. The amount of time and effort that went into this years tournament was quite evident and well appreciated by all who attended.

Congratulations to not only the state champs but also to every single person who pitched. Whether you went home with a first place trophy or with just memories of good competition and a good time with friends, it was well worth the trip.

I am very excited and proud to have the opportunity to serve you as your new state president, and I promise you that I will do everything I can to see that 1992 will be a year of growth and expansion for South Dakota horseshoe pitching.

Please feel free to contact me any time. I welcome your questions and encourage your ideas.
